

Help us to help others
Remember us in your will

How your gift can help

There are many different ways your will could help us. For example:

- **Donate to our Legacy Fund** which supports care for people who, otherwise, couldn't afford to pay for the help they really need. About half of our clients benefit from subsidised care in this way. Your gift could help them to continue to be cared for.
- **Fund care for a loved one.** If you choose, the gift you leave in your will could be dedicated entirely to funding care for a specific person or group of people.
- **Leave a general gift** that helps to cover the day to day expenses of NEDCare.

Whichever way you choose to remember NEDCare, your gift will be greatly appreciated and put to very good use.

How to remember us in your will

If you have already written a will, you can add NEDCare to it very easily. Simply add a written instruction (called a codicil). A solicitor can help.

If you don't have a will, we strongly recommend you talk to a solicitor.

You can find details of solicitors in England and Wales through The Law Society. Call 020 7320 5650 or visit solicitors.lawsociety.org.uk

Writing a will: checklist

Before you see a solicitor, you may find it useful to write down some important information:

- **List your assets**, including property, investments, savings, insurance, vehicles.
- **List anything you owe**: mortgage, loans, other debts.
- **List people and organisations you want to remember** (including full names and addresses). The information you need for us is: NEDCare, Moretonhampstead Hospital, Ford Street, Moretonhampstead, Devon TQ13 8LN. (Community Interest Company Number 9594249). Tel: 01647 279211.
- **Your executors.** Name the people you want to handle your will. Banks and solicitors will charge fees for this service, so think carefully about who you want to be in charge. Make sure they know where your most up-to-date will is kept.

You choose what to leave

You can leave as much or as little as you like to NEDCare.

You can also leave a specific amount or leave whatever's left after you have taken care of other people or organisations in your will. A solicitor will be able to advise you on how to word your will to make sure that your wishes are fulfilled.

Who we are

NEDCare provides personal care and support at home for people in North East Dartmoor. Established by the local community, we put people before profits. So, every penny we receive goes into providing the care and support services that our clients need.

What we do

The type of services we provide include: one-to-one personal care, hygiene support, help with getting up and dressed or going to bed, support with medications, assisting with meals, welfare visits, shopping, housework, pet care, help in attending social activities...and more. All provided by well-paid staff who receive high quality training and ongoing development.

We're here to help

If you'd like to know more about NEDCare and how your will could benefit our work, we'd be happy to talk to you in complete confidence. Call us on 01647 279211 or email info@nedcare.org

Your legacy and Inheritance Tax

NEDCare is owned by Moretonhampstead Development Trust (MDT), a registered charity. Leaving money to a charity reduces the amount of your legacy that is subject to Inheritance Tax.

You can choose to leave money to MDT and specify that it should go to NEDCare. Moretohampsstead Development Trust's registered charity number is: 1105114.
